Dear Dr. McAllister:

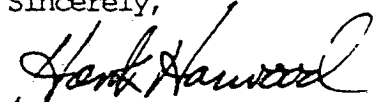

On behalf of Drs. Thomas Broker and Peter Howley, co-organizers of the 1989 UCLA Symposium on Papillomaviruses, I want to thank you and the Council for Tobacco Research for your decision to provide \$2500 to the conference budget.

In accordance with UCLA Symposia policy, the funds will be used solely to help defray the conference related expenses incurred by program participants with academic or government agency affiliations. Your contribution will be acknowledged in the conference Program, Abstract Books and Proceedings Volumes of contributed papers published in conjunction with the 1989 conference series. The Programs and Abstract Books are distributed at the meetings to all registered participants; the Proceedings Volumes are available from the publisher, Alan R. Liss, Inc., New York, approximately six to eight months following the close of the conference.

The UCLA Symposia is responsible for all administrative aspects of the conference, including the receipt and distribution of funds to help defray speaker costs. The check should be made payable to REGENTS OF THE UNIVERSITY OF CALIFORNIA and sent, with a cover letter, to me at the UCLA Symposia. The cover letter is needed to help track the funds through the deposit process and need only indicate that the check is intended to help defray conference costs incurred by speakers, excluding those from the industrial sector, participating in the 1989 Papillomaviruses conference.

If you have any questions concerning your contribution, please do not hesitate to contact me at 213-207-2567.

Sincerely,

Robert (Hank) Harwood, Ph.D.
